CALLING ALL MBE AND CBB VENDORS

Aspire Education Partners is excited about the prospect of partnering with PGCPs to deliver Phase II of the Blueprint Schools program. The program will deliver 8 new, state-of-the-art K-8 school facilities to the Prince George's County community with the support of private partners, like us.

The Blueprint Phase II program will include business opportunities for MBE/CBB vendors offering products and services in multiple categories, including but not limited to:

- Design (architecture and/or engineering)
- Consulting
- Construction services and material
- Facilities management
- Marketing services
- Promotional materials
- Financial services
- Insurance
- and much more...
